**RESPONSE TO RESTRICTION REQUIREMENT**

Commissioner of Patents  
Washington, DC 20231

Sir:

In response to the Examiner's requirement that a single elected species be elected, Applicants hereby elect the invention in Group I, claims 1-13, drawn to a method for screening chemically modified mutant enzymes for amidase and/or esterase activity, classified in class 435, subclass 19.

Applicants reserve the right to file subsequent applications claiming the non-elected subject matter and do not waive any of their rights or abandon any non-elected subject matter. Applicants have fully and completely responded to the Office Action and have made the required election. This application is now in order for early action.

Respectfully submitted,

Date: November 27, 2002
